

Use of Barbecue

RULES:

1. The safe and proper use of the BBQ is the responsibility of the resident that signs this form.
2. User(s) must be 18 years of age or older.
3. The BBQ must never be left unattended during use.
4. Use of the provided Utensils is for what they are intended and must not be removed from the Rec Center.
5. No fuel other than the Propane provided in the BBQ tanks can be used.
6. No wood chips or other smoker type products are allowed.
7. Always try to avoid flare-ups when cooking.
8. Please do not place heavy items on the 2 lids of the BBQ. This could damage them.
9. Please don't place any hot or heavy items on the Storage Box.
10. Immediately turn off all burners and propane tank valves once cooking has been completed.
11. The BBQ and Utensils needs to be thoroughly cleaned. Any oils (grease) that are in the 2 drip pans under the BBQ need to be emptied into a waste container.
12. The two Propane Tanks and all BBQ Utensils need to be placed inside the Storage Box. When the BBQ has sufficiently cooled, place the Cover on the unit.
13. **Make sure the BBQ and Storage Box are locked once cleanup is completed.**
14. Return the key to the Maintenance Office before leaving the Center. If the Office is locked, drop the key through the mail slot. Do not remove the key from the Center or leave with any other resident.

I have read the Rules listed above and will abide by them. I understand there's a \$25.00 deposit required at the time of being issued the key and that I will receive \$20.00 back once the Maintenance Man inspects the unit and confirms all items are present and the BBQ is clean and has not been damaged. If additional cleaning is required, I understand \$20.00 will be charged. I also accept that if any items are missing or damage has occurred through misuse or abuse, that I will be responsible for their repairs or replacement.

NOTE: HOA supported events are exempt from any fee.
